

CAPE TOWN VILLAGE SOUTH SUBDIVISION

March 25, 2017

New Business Report

Over the next year some of the things your trustees will be working towards are:

Completing the cleanup of Capetown Village Road, now that the brush has been removed.

Establishing a road maintenance agreement for Capetown Village Road.

Repave the asphalt easement portion of Capetown Village Road

Have a contractor stripe the fire lanes

Repair and as needed replace the fire lane signs

Complete the installation of a street light at Belmont and Capetown Village Road

Continue the replacement of the damaged concrete slabs in our streets

Continue our efforts to collect delinquent assessments

Make additional improvements to the foot bridge
